

September Gardening Tips

Prune:

- ❖ Summer flowering shrubs

Plant:

- ❖ trees and shrubs – keep well watered
- ❖ fall bulbs

Also:

- ❖ dig and store tender bulbs (dahlia, canna, caladium, tuberous begonia)
- ❖ bring houseplants back indoors – check for pests
- ❖ continue to harvest vegetables – wait for a hard freeze before harvesting Brussels Sprouts
- ❖ cure winter squash for storage
- ❖ pick herbs for drying or freezing
- ❖ turn compost
- ❖ photograph your gardens for a record of successes and failures
